

Amethyst

Amethyst is the “stone of meditation”. Represents the crown chakra. Aids in overcoming obsessions.

Aqua Aura

Aqua Aura clears the energy field, opening heartfelt communications. Natural quartz crystal is combined with real gold vapors in a vacuum process creating the ethereal heavenly blue color. Nothing unnatural is used and the color is permanent. This beautiful combination boosts the positive effects of all other gemstones.

Aquamarine

The “stone of courage” whose energy is both flowing and structured. Helps to achieve higher levels of consciousness and ability to understand complexities. It encourages order, tolerance and moderation.

Baltic Amber

Natural Baltic amber is considered “The Gold of the Baltic”. It can be as old as 300 million years! Amber has long been used as a healing elixir.

Black Tourmaline

Diffuses negative energy and aids in focusing on the essentials, grounding us to our own truths. Strengthens the immune system. Promotes well-being and prosperity.

Druzy

Druzy is a natural quartz. Its energy is especially helpful for spirituality and lightwork. Attracts harmony.

Garnet

Heals limitations at all levels: physical, mental and spiritual. Facilitates the manifestation of your vision, hopes and desires.

Kunzite

Kunzite is all about heart and love. It creates a joyful influence in one’s daily life. The subtle lavender-pink color reveals itself from the deep core of the stone, enhancing self-expression.

Kyanite

Aligns the chakras immediately. Formed in layers, Kyanite carries "light" energy, and so never has to be cleansed. It expertly deflects negative energy. Green Kyanite attracts prosperity as well.

Lapis

Calming, relieving in stress and insomnia. Builds loyalty and trust among friends.

Labradorite

Called the "Dark Moonstone", it helps with grounding and deflecting negative energy. Labradorite possesses a mystic glow.

Larimar

Mined only in the Dominican Republic. It's oceanic patterns and colors balance sea and sky energy, soothing the mind and heart.

Mystic Topaz

Mystic Topaz balances emotions and creates synchronicity.

Peridot

Peridot emits positive vibrations, wellness and inner warmth. It promotes prosperity and Aides in successful endeavors.

Rainbow Moonstone

Calms the mind and nourishes one's inner being. The variety of colors displayed in Rainbow Moonstone encourage acceptance.

Rose Quartz

The "Eternal Stone of Love". Opens up the heart chakra. Provides a gentle healing touch.

Ruby

Promotes courage, energy, passion, and adventure. Encourages clarity of mind.

Rudraksha

Shiva, the Lord of Dance, was overcome by compassion. His tears fell upon the earth and became the Holy Rudraksha seed. By wearing a sanctified Rudraksha, one gathers strength to combat fears.

Sonoran Sunset

A combination of Crysacola and Cuprite found very deep in the ground in Mexico. It is held sacred to American Indians who have honored it for stimulating good health and productive ideas.

Shiva's Eye

Only found near the sacred rivers of the Himalayan Mountains. This Opurculum has been deemed sacred for centuries. It removes all darkness from within and without. Shivas Eye is the original stone worn for protection to ward off the *evil* eye.

Sugalite

Inspires the inner wisdom of the universe and enhances psychic abilities. Sugalite colors range from light pink to magenta to a very deep purple.

Tanzanite

"Stone of magic" Helps with spiritual awareness and psychic insight.

Tourmaline

Replaces fear with self confidence and enhances the flow of positive healing energies. Promotes physical, mental and spiritual well-being

Turquoise

American Indians honor Turquoise as their Healer stone. It attracts energy from the sky, aiding in clear communication and trust.
